## 4. FIRST AID MEASURES

### General information:

**Skin contact:** Wash skin thoroughly with soap and water.

**Eye contact:** Rinse opened eye for at least 10 minutes under running water or with eyewash. Remove any contact lenses. If irritation persists seek medical attention.

**Ingestion:** Rinse out mouth immediately, drink plenty of water and seek medical advice.

**Inhalation:** Sit down in a fresh air environment. If dizziness symptoms persist seek medical advice.

## 5. FIRE-FIGHTING MEASURES

Use foam, water, CO<sub>2</sub> or powder on Keim Ecotec Concentrate.

## 6. ACCIDENTAL RELEASE MEASURES

**Personal precautions:** See section 8

**Environmental precautions:** Avoid contamination of sewage systems, watercourses or the environment.

**Methods for cleaning up:** Small quantities should be soaked up with sand and removed to waste dumps. Large quantities to be neutralised and removed. Clean with water, not with solvent.

## 7. HANDLING AND STORAGE

**Handling:** Avoid contact with skin and eyes. See item 8 for information about suitable protective equipment and technical precautions. Close containers tightly after use. Do not eat or drink when working with the material.

**Storage:** Further information about storage:  
Store in tightly closed containers, in a cool but frost free environment.

Avoid contamination with self oxidising materials. Store according to local and/or national regulations.
